# Pool Helper Rights & Responsibilities

## → Everyone pays cash

Collect cash from everyone attending the session:

£10 per member

£5 per member (student / unemployed)

You can ask for proof of entitlement if you're not sure if someone is a full time student or unemployed

Record all the names of who attended

Hand the cash and the list of names to a Committee member ASAP

## → Everyone gets a turn

On nights where more than 16 people turn up, pool session helpers can ask people to swap / vacate boats

## → Encourage safety

No more than 16 boats in the pool at any one time

No more than 4 swimmers/helpers in the pool at any one time

Helmets are available for use

Rolling and spray deck tests should **NOT** be done in the shallow end

## → Your decision is final

The Committee will back you up in your decision should you need to enforce any rules for safety of all members at the pool
